CLASSROOM CRITTERS

IA: 6-9 | RA: 7-9 | F-KS1

Stella the Mouse, Nico the Toad, Delilah the Spider, Bo the Parakeet and Goldie the Goldfish all live within the walls, nooks, and crannies of a primary school. They're in the lucky position of being able to learn alongside the children every day.

"I'll get the next one," said Delilah the Spider.
Just then the final bell rang. The children ran past the animal friends. They burst out of the school doors and into the sunny afternoon.
Stella, Nico, Delilah and Bo stayed out of the way. It was dangerous to get in the way of the children at the end of the day.
"Goodbye, children," Stella called. "Have fun. I will miss you!"
Stella didn't understand why the kids were so excited to go home. She was always sad after they left. She loved being at school!
